

The annual NJSWEP *Growing Great Women in the Garden State* Award recognizes and honors outstanding women who set a standard for quality and excellence in the environmental field. The Nominees' should be distinguished by their professional commitment, leadership, and achievements. We encourage nominations of distinguished women professionals from diverse sectors, including government, academia, private, and non-profit sectors.

***Nomination Applications must be received by December 6, 2022.***

3. Tell us a little more about the nominee as a person – how do they demonstrate their commitment to the environment and community outside of work? (This could include professional and personal passion projects and activities that contribute to the development of the person as a multi-faceted individual.)

4. Tell us anything more you'd like to share about the nominee that will help demonstrate their suitability for this award.
