

**LSRPA & NJSWEP Hosts:
1st Annual Golf Networking Event**

**SAVE THE DATE:
Wednesday, September 21, 2016**

Eagle Ridge Golf Club (Lakewood, New Jersey)

Join the Licensed Site Remediation Professionals Association (LSRPA) and the NJ chapter of the Society of Women Environmental Professionals (NJSWEP) for our 1st Annual Golf Networking Event at the Eagle Ridge Golf Club on September 21, 2016! Golf is one of the most popular sports and is great for team building. This event will provide networking opportunities, 18 holes of golf (shotgun/scramble format), dinner and a presentation regarding the transformation of the former landfill to the present-day golf course.

Additional information available at www.NJSWEP.org and www.LSRPA.org

LSRPA & NJSWEP Hosts: 1st Annual Golf Networking Event

Purpose and Format:

Purpose:

- Raise Money for LSRPA and SWEP Scholarship Funds
- Encourage Beginner Golfers to Participate and Enjoy Golf Outings
- Strengthen Relationships Between Professional Organizations
- Appreciate the Environment and a Remediation Success Story

LSRPA/SWEP Golf Outing Format

The scramble (best ball) format will be utilized for this outing. Most multi-group outings have adopted this format to create a positive team-first attitude and increase pace of play (to reach happy hour faster). Each golfer of a foursome hits his/her tee shot from the appropriate tee (white for men, red for woman, green for seniors). The best tee shot is selected by the team and the second shot is played by each golfer from this location. The best second shot is selected as the starting point for the third shot and so on until the hole is completed.

In effort to enhance the enjoyment for beginner golfers, golfers may be paired into mixed skill level foursomes such that beginners are matched with higher skill level golfers. We encourage you to select this preference when registering. We believe that this proposal will increase enjoyment levels for all parties by allowing the more experienced golfers to share tips on club selection, golf etiquette and scramble strategy with the beginning golfers, while networking as the team navigates the course together. The mixed skill level format will also keep up the pace of play, so that all foursomes can finish at the same time and enjoy the happy hour and dinner together.

While we would encourage the more experienced golfers to volunteer to join a mixed skill level foursome, we will do our best to pair you in accordance with your selected preference. Those who do not want to golf are welcome to register for dinner only. Attendance is not mandatory to sponsor or make contributions to the scholarship funds.
